These statistics reflect actual commissions paid to Members during the last 2 Pay Periods. A "Member" is defined as any person who: (1) executed a IXQ TV Member Enrollment and Agreement; (2) has sponsored at least 1 person; and (3) has been active in any of the eight weeks preceding the commissions period ("active" is defined in the IXQ TV Compensation Plan as having purchased or sold (new sale) any level of a qualifying purchase in a calendar month period). Note that this excludes retail customers, preferred ranks. Accordingly, the status of an individual can, and sometimes does, change throughout the course of a year. The majority of individuals who executed an IXQ TV Member Enrollment and Agreement are considered Members.

The earnings of the Members in this chart are not necessarily representative of the income, if any, that a IXQ TV Member can or will earn through his or her participation in the IXQ TV Compensation Plan. These figures should not be considered as guarantees or projections of your actual earnings or profits. Any representation or guarantee of earnings would be misleading. Success with IXQ TV results only from successful sales efforts, which require hard work, diligence, and leadership. Your success will depend upon how effectively you exercise these qualities.
